OFF MY CHEST

Editor's Notes

*This is my 36th issue with Gent and I couldn't be happier. It is truly a labor of love. When I was growing up I was a big fan of Gent. There was a smoke shop in my town that carried every men's magazine that was available. They didn't even have racks, just tables with stacks of each mag. I used to spend hours in there, like it was a library. It was like sex education for me. Back in those days, there weren't the laws that there are today, so there wasn't much left to the imagination. Now, all these years later, I'm not only the editor, but also a big-boob photographer. Dreams do cum true! That being said; I have one action-packed issue for you guys this month. Gent offers more big-titter XXX then any other busty publication on the racks. You can almost smell the action as you thumb through the pages. Covergirl and centerfold feature **Sloan Ryder** is one gorgeous number with huge natural hangers, who looks especially good with a big cock pounding her pussy. And speaking of huge hangers, **April McKenzie** has a pair of the nicest breasts I've had the pleasure to point a camera at, in a long time... and that's saying a lot. Before you even turn to her layout, you had better get some hand lotion and tissues. You're gonna need 'em. **Bailey O'dare** certainly knows her way around a dick... or two. She is a dirty little girl that really goes out of her to get her fill. **Ms. Deja** isn't doing any fucking or sucking, but with tits like hers, I thought I'd let her slide. However, **Karen** is a completely different story. Although her boobs are pretty special in their own right, I really thought watching her get fucked was the way to go. That beautiful face of hers just needs a cock in it. **Nina Ferrari** is one of the other ones that I let slide with the hardcore. It won't happen again. After Sloan, we move quickly to **Brandy Talore**. She really cums clean as she struts her natural wonders in the tub. Big tits with liquids running down them have always been a favorite of mine. Whether it be soapsuds, Champagne, chocolate syrup or boy-juice, I have always loved that. I'm proud to present **Elizabeth Starr**. She has been a friend of mine for years and I was never able to get the opportunity to get her in front of my camera, but it finally happened. She called to tell me that she and **Summer Cummings** – another of my favorites – were coming to town for a signing. When she asked if I wanted to shoot her, I actually came in my pants. No really, just blew a load right in my pants. Not only did I shoot her, but she even went XXX for me. Oh Happy Day! **Sandy Beach** is a very nice addition to the Gent family. And lastly, but certainly not least is the remarkable **Summer Sin** getting plowed, just for your wanking pleasure. The lucky guy was actually the owner of the house I was shooting at in Florida. I was down there for a week shooting and he kept telling me, "Anton, I know that I can do it. Let me have a shot fucking on camera." This went on all week, until I finally relented and told him, "You're up." And he sure was. The guy performed like a pro and has been working for other companies ever since. He went from "O to pornstar" in five days. Of course that's far from all in this issue. There's **Amber FoXXX** doing her slutty thing. **Rhiannon** gets a sexy massage with a very "happy ending. Steve Nelson visits the AVN's and **Calli Cox** gets stranded in the dessert. This is the most action-packed issue ever and there's so much more. I can't stress the lotion and tissue issue enough, so sit back and enjoy the ride. I've said it before and I'll say it again; It's All About The Boobs!*

TALE OF TWO TITTIES...

Anton,

The cover of the May Gent with Michelle McClaren is simply stunning. And just when you don't think it can get any better, she's doing anal inside. Fuck! I nearly blew my load just looking at the cover, but when I got inside and saw her in action, it was too much for me to handle. I have to admit, I've jerked off more times to that one pictorial than any other in my history with porn mags.

Great work!

Paul Capricia
Queens, NY

Dear Paul,

I have to admit that I spent a lot of time jerking off to Michelle when I was shooting her – it was hard to shoot with only one hand. She is one model who definitely loves what she does. In fact, she asked me if I wanted to shoot anal with her. That's a request I don't get very often – never – so what's a photographer supposed to do?

Anton

Dear Mr. Fury,

As a fan of Gent and so many of the models, I would like to know how I could get in touch with them. I'd love to voice my appreciation for their ample and obvious talents.

Many of them have websites where I've been able to get an e-mail, but many of your models don't come up when Googled.

Elliot Moronski
Miami Lakes, FL

Dear Elliot,

I will be happy to forward any letters to the models. In fact, if you'd like to send me an e-mail, I can send that on to them as well.

Anton

Dear Editor,

I felt compelled to write to you to share one of my lustiest adventures. Like your models, I too am an extremely busty girl.

I sport a pair of the sweetest natural double F-cup tits. I'm not really slim, but I'm definitely not fat. I have a pretty face and a hot round ass. I've never posed in front of a camera, but the guys that I fuck see my copies of Gent and always tell me that I should be in there too. I don't think I'd ever have the nerve.

I have been reading Gent for over a year now and my favorite part (other than the pictures) is the letters section. The best letters to me are the ones written by other big-titted girls.

A couple weeks ago I was at the food store doing my shopping. As usual, I was dressed in jeans and a tight sweater. With tits this size, no matter what I wear is tight. So as I'm shopping

I notice that this guy seems to be following me. No matter what aisle I'm in, he's there. I had to admit that he was kind of nice looking, as stalkers go.

At one point I was in an area that was very tight. Between my carriage and me there was barely enough room to slip by. Well this is when he decided to make his move. As I was bending down to get something off a lower shelf, he moved to get by me. As he did his groin came in contact with my ass. There was no mistaking that he had an erection as it slid across my ass. And it seemed to be quite substantial.

Obviously, my initial thoughts were confirmed. He was following me. After that little contact, I was now the one following him. I made eye contact and gave him a knowing smile. He smiled back and finally came over to say something.

As he did, I looked around to see if we were being watched and before he could say a word, I dropped my hand to the front of his pants and wrapped it around his evident bulge. Even though his mouth was open, no words came out.

I looked straight into his eyes and said; "Don't rub that thing up against me if you have no intention of finishing the job."

We left our full shopping carts where they were and I guided him to the public bathrooms. I took a quick look around and pulled him into the Ladies room and right into a stall. He still hadn't uttered a word as I dropped to my knees and pulled down his zipper. I reached in and was pleasantly surprised to find the he wasn't wearing any underwear, so his cock easily popped out.

I wrapped one hand around the base and swallowed what remained. He fell back against the stall wall and I really went to town slurping every delicious inch in and out of my hot sucking throat. I got his meat-stick all covered with spit and used my hand to stroke him in conjunction with my mouth. I could feel the veins throbbing as I continued my barrage. When I felt like he was getting close I pulled off and his cock popped out with a loud "pop"!

I pulled my sweater up to reveal my huge braless tits. Taking one in each hand I sandwiched his salami in my deep cleavage and started titty-fucking him. On each down stroke his swollen cock-head popped out and I flicked my tongue over it. I could taste his pre-jiz oozing forth, which I greedily licked up and swallowed. Periodically, I'd spit down into the boob valley so that his dick flowed smoothly between my mushy mounds. I could feel his cock start to pulse, so I squeezed even harder until the first volley of boy-juice spurted up into my open mouth. The blast was so big that it filled my mouth right away. I swallowed quickly before the next rope spewed forth. That too I swallowed. Three or four more shots erupted until the last few dribbled out and fell into my crevice making a rich creamy shake.

I quickly stood up and pulled my sweater down, leaving my cleavage coated in his gooey goodness. I slipped out of the stall and back into the store, before he even got his pants up.

Luckily, I found my shopping cart undisturbed, so I was able to resume my shopping. The only thing that would have made this trip to the food store better would have been if it were double coupon day.

AMBER FOXXX IS OUR RESIDENT BIG-TIT ABOUT TOWN. SHE HAS NEVER MET A COCK SHE WON'T SUCK OR A PUSSY SHE WON'T LICK.

Foxxxx on the Run

SHE IS A TRUE "NO HOLES BARRED" GIRL WHO LIVES FOR SEX. ALL HER DIRTY LITTLE SECRETS ARE X-POSED FOR YOU RIGHT HERE, EACH MONTH.

PHOTOS BY BIG DICK JOHNSON

I have to say that the very best kind of sex for me is nasty, messy, and just plain dirty slut-banging sex! Fortunately for me, this past summer I got to meet someone who enjoys that just as much as I do, the heavily inked and sexually super-charged star of www.daddyspetslut.com, Momo!

I had met Momo once before in Vegas during the AVN show last year, but only briefly since our schedules didn't match up very well, so I had been lusting after her for many months by the time we finally got our hands on each other some time later. We didn't talk much, just went directly to the bedroom where she didn't waste any time embracing me while slyly sliding her hand down the front of my panties. Just knowing I was going to see her had made my pussy wet before I even knocked on the door, and as soon as Momo discovered that, she was down on her knees with her tongue in my twat!

I quivered and giggled as she slipped her lips over my clit and sucked on my little nub, and let out the first of my well-known Foxxx purrs (anyone who has seen me on video knows what I am talking about) as she slid a couple fingers into my dripping cunt. I gyrated my hips against her digits and she kissed her way up my stomach as she reached around with nimble fingers on her other hand and released my monster melons to the warm and sultry air around us. With perfect timing she took my nipples between her teeth just as they became exposed, and I screamed out with pleasure as she tugged on them. I came hard as she added another finger, but before I could get off too good, I pulled her hand down and out so I could return the favor and snack on her tasty treat!

I laid her back on the bed and had her raise her legs straight up so I could get a good lick at her puffy lips. I thrust my tongue out and took my first taste of her cunt juices. Her

sweetness was intoxicating, and I pushed back on her legs to taste as much of her as I could. Just at the moment I had my face buried as deep as I could, I heard the door open behind us! I didn't realize Momo had invited someone else to join us, and she obviously enjoyed the look of surprise on my face!

Not expecting someone didn't matter, and I think the only thing Momo or I saw was the hard cock coming toward us! Momo had obviously informed him that there would be a couple sluts ready for his use, and he came prepared with his hard dick and pants off! He jumped up on the bed, and before I could react Momo was mounting his stiff member! I knew I liked Momo before, but to see that she was as cock hungry as I am really made me fall in love with her attitude!

As soon as her hole was positioned over his rod, he thrust up with his hips and forced his cock deep inside her wet and waiting love tunnel. Momo was ready for a pussy pounding, and he knew it, pistoning his man flesh as hard and fast as he could, causing her to shake and shiver with pleasure. I know good cock and good fucking when I see it, so as soon as she fell forward after a huge orgasm, I laid down on my back and pulled him on top of me for my turn!

I was dripping with desire, and I wasn't disappointed when my waiting cunt got penetrated! His thick cock split my lips and I pulled him balls deep into my horny honey pot. He bucked back against my legs and fucked my cunt like a bull. I was getting off hard on him plowing my pussy, and I was purring and creaming like crazy! Momo saw how hot I was and hopped on top of me in a hot 69!

I got off hard as I got fucked and licked at the same time, and knew I had to share that feeling with my sister superslut, so I directed our cocksman to go to the other end and give Momo's cunt the same pounding his member had been giving me. No guy can resist the thought of different pussy,

so of course he instantly switched over to her, and I got to have the pleasure of watching his tool work over her pussy while his heavy hanging balls slapped me in the forehead. She moaned and screamed into my cunt, and the vibrations coming off her lips brought me off one more time.

It soon was time to reward our stunt cock for the day, so Momo and I took the pressure off of him by having him lay back and enjoy our twin tongues intertwining around his throbbing dick. We kissed and sucked our sloppy juices off of him, licking and sucking all the way from the knob to the balls to make sure we got every drop. Moments later he added his own juices to the mix, shooting a thick rope of sperm up at our faces.

Most of the sticky deposit wound up on my face, and I gladly took as much as I could! Momo instantly decided that she needed to get me cleaned up and started licking my face as soon as the stream of cum stopped hitting my face. She licked up every last drop, and then winked at me. I knew what that meant, and opened up my mouth so she could feed it to me like a baby bird. I took every drop out of her mouth and swallowed deep!

That was the end of our adventures for the day, but I am definitely going to find a way to hook up with her again - I don't often find other girls that can keep up with my sluttiness! Girls, if you want to try to hang with me, write me at my e-mail below and we'll get together for some fun too! Guys, as always, my cunt is hungry and ready to fuck - look for me wherever you can - more than likely I'll be the redhead in the middle of the swinger's club on my knees taking as much cock as I can find!
Keep on cumming!

Rhiannon's

Breast Of Times

Like most women, I too, love being pampered. On a regular basis I enjoy, massages, pedicures, and facials. No, not the kind you are thinking, but actual skin rejuvenating professional facials.

I had a guy coming to my house weekly for incredible deep tissue massages for the last ten years. He was wonderful and yes, very professional. Unfortunately, recently he took a job offer in Florida and moved. Well, I had to find a situation immediately that would satisfy my massage addiction. I decided that rather than having someone come to my home, I would to go to a spa and get the works.

I found a place not too far from home and thought I would give it a try. I arrived at the location and was very impressed by the staff and clientele. I looked through their book of all the masseurs on staff and selected a busty blonde woman. I liked how her resume' read and felt she had the experience and skills I was seeking.

I was led to her room where I spoke with her briefly. She was very knowledgeable in the various forms and techniques. I knew that I was definitely going to have a great experience. Before she left the room she handed me a robe and slippers and told me to undress. She said the robe and slippers were for after the massage, if I wanted to relax by the pool.

I ripped off my clothes because I was so excited about my anticipated massage. I know I sound like a crazy person, but I truly love having my body touched, rubbed and massaged. Every masseuse has their own touch and technique, despite their training.

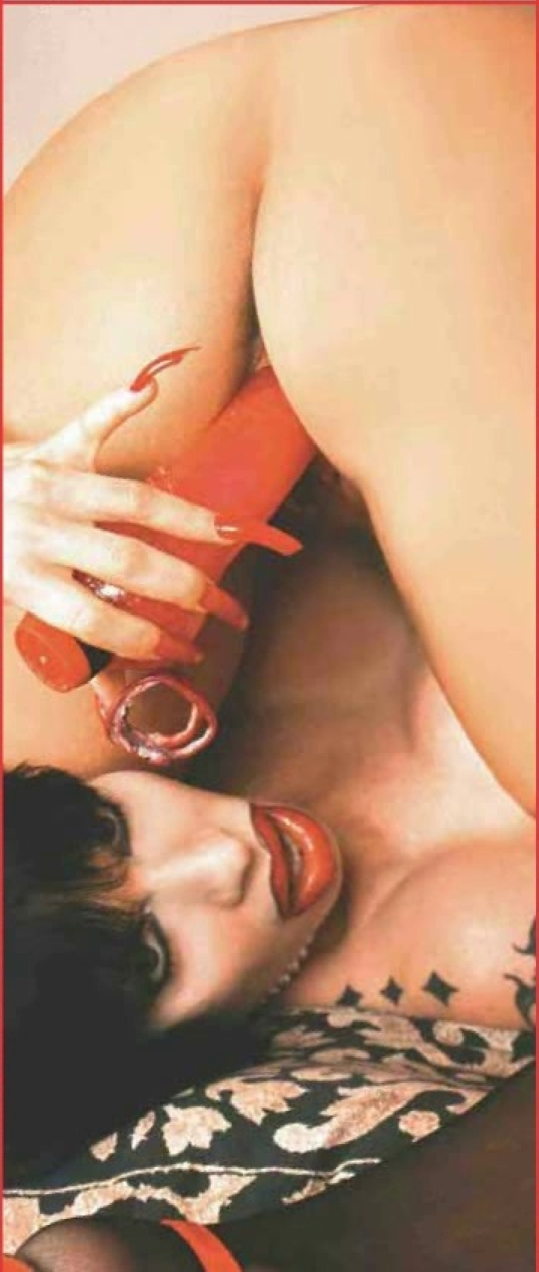
As I was peeling off my clothes I realized I did not have any panties with me. Since I have not worn panties since I was twelve years old, it never dawned on me that perhaps they were necessary at this facility. I never wore any for my masseuse at home so I suppose I just never gave it a thought.

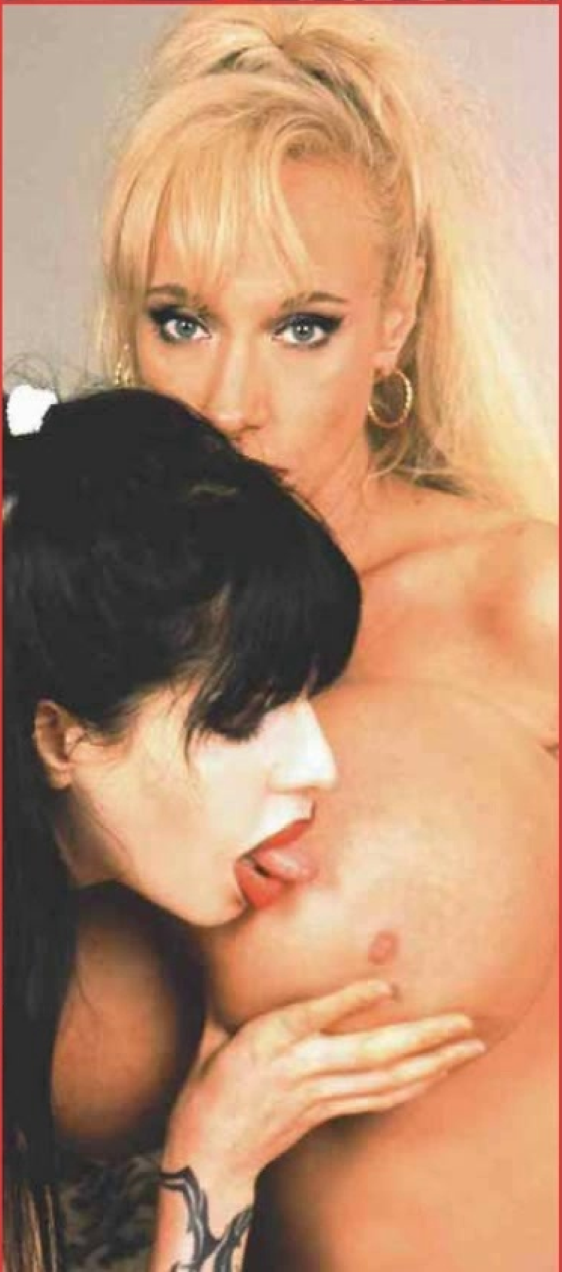
"Ah, fuck it," I said to myself, and hopped onto the table.

She knocked on the door as she entered the room. The lights were dim, the music soft, and the candles were casting a warm glow throughout the room. This was the perfect atmosphere for relaxation and pure physical indulgence.

She started by asking me to take long deep breaths and exhale as she pushed down on my chest to assist in the release of breath, stress and tension. She then performed a form of acupressure on all the pressure points in my face. I began to feel myself float away as she moved down my body with her incredibly magical hands. She had a firm yet, erotic touch. I am partial to a firmer massage rather then the softer, Swedish methods practiced by many. I like to feel as though I am getting a medicinal massage almost similar to an adjustment from a chiropractor.

As she made her way down to my legs, she spread them gently so she could massage my inner thigh. She was professional in the way in which she manipulated the sheet so as not to expose my naked body. While she was greasing up my legs she expressed her curiosity regarding my oversized breasts. She said she had never seen boobs so large. She asked if she could see them and naturally the next question was if she could touch them. Anyone who knows me certainly knows I am not shy and happily parade my ta-tas with pride. I told her she could both look and touch as long as she oiled them up and massaged them also. She blushed a bit but did not refuse my offer. She trickled the warm oil over my perky nipples and fleshy mounds. The oil dripped through my cleav-





age and dribbled around my back. She gently clamped her hands on my knobs and rubbed them lightly. I placed my hands on top of hers and told her not to be so timid. I had her pulling and tugging at my pink nipples. Then I pushed her face down and told her to suck. She was startled by my aggressive nature. I told her she must finish what she started. Despite her reservations, her curiosity was peeked and I was about to give her an experience she would never forget.

I demanded she remove all of her clothes. I had her straddle my nude figure. I poured the hot oil down the front of her body. Then I pulled her down on top of me. We slid up and down on each other, as we humped in unison. As we were gliding, I could feel the combination of cunt juice and oil rolling down through the slit of my pussy. We drove our hips against each other so hard we both exploded in ecstasy.

We were so greasy and covered with cunt cream; I was able, with ease, to push her down until my twat was staring directly into her sweaty face. I forced her head down and commanded she lap like a fucking dog. My clit was swollen as though I had a cock. I was hot and needed to cum again. Her watering mouth gratefully sucked up my juices. She was one of the finest slit-lickers I ever had! My clit stood at attention just waiting for the final strike. There it was! The final explosion! I came like a fucking river. Little Miss Massage girl couldn't gulp my spray fast enough. She had my snatch sap running all over her face. Now that's a happy ending!

FUCK COOKING, EAT ME!

***WRITTEN BY* KENYA DOOMIE *ILLUSTRATION BY* AARON WARNER**

I just couldn't resist them any longer.

I was only an apprentice in my second year of Chef's school, and already the curiosity had gotten the better of me. Maybe it was because my boyfriend was in school on the other side of the country and I only got to see him every other never. Or maybe it was because all I ever do is wash vegetables, and all I can think about is how they're bigger than any guy I'd seen. Seriously.

It's not like I'm a slut or anything like that. I've only ever been with my boyfriend. But after high school, we went to different colleges, and I'm not a total prude, either. I have my fun. Guys ask me out and I don't tell them I have a boyfriend. I like a free meal and a movie like any other girl, so I go on dates all the time. And just so I'm not a total blue-baller, I give guys hand jobs or I'll blow them before they drop me off. So I've seen my fair share of cock. But it just can't compare to what really gets me off!

The first time was the night before finals. I was working super late in the kitchen and just kept holding the cucumber, pretending it was a fat cock as I massaged it under the warm water of the faucet. I began stroking it off like the guys I date and imagined what it would be like if it could squirt it's warm juice all over my face. I mean, there would be like so much of it since it was so big.

That night I'd just gone out with this guy and I was sucking him and giving him like, the best blowjob ever. We were in his car behind the dorms and he was begging me to take off my shirt so he could see my tits. Now, I don't mind giving head, or jacking off some guy who just bought me dinner, but no one gets my pussy but my boyfriend, and I usually keep my clothes on just to be safe, but he kept saying, "I wanna come on your tits! I wanna fuck your big tits!" And he was so hard. I'd been stroking him for like an hour already and when my hand got tired I'd slide his hard pecker in my mouth. But, damn, he still wouldn't come. And I had an eight o'clock presentation the next morning, y'know?

So finally I pulled up my shirt and lifted my bra and his hands went right for my big tits. It felt good as he squeezed my fat melons, squishing them tight around his hard penis. I kept beating him off and playing with his balls as he fondled my heavy boobs. Finally he blew his load all over my tits. His creamy spunk lathered my nipples good and filled my cleavage with sticky fun. So now I was super-horny.

Later, in the kitchen, all alone, no one else was around, and all I could think about was sliding something in my hole and totally fucking myself with it. I hadn't started cooking my dish yet and just as a joke I rubbed a big cucumber against my shorts, giggling to myself how dumb it was. Then I slid the green beast up to my mouth and pretended I was giving head to like, the biggest guy ever. He was so thick it barely fit in my mouth, but I sucked it like a big cock, waiting for the warm jizz to dump down my throat. My panties were sopping wet and my nipples were hard.

I kept sucking my vegetable erection and slid my hand down the front of my shorts, fingers finding their way through my curly hair to rub my throbbing clit. Convinced my cucumber lover wasn't going to magically come in my mouth, I dropped my shorts to the floor and lifted my rear up on the stainless steel table. Leaning back just enough, I didn't hesitate to see if I could get the stiff bastard in. I nuzzled my asshole with the wide end to get that familiar tingle in my pussy. Then as I felt myself opening, I eased the green, bumpy, dong into my widening hole. Fuck, did it feel good! This fat fucker pried my twat wide until my pussy ached. It actually hurt, but it felt so good it took my breath away. I worked the huge veggie inside me with both hands, pushing it in, then slightly backing it out. Then in again, little at a time, until nearly half of it was fucking up my hole.

I was in ecstasy! I worked the fucker in and out my love box and groped my big titties, pulling up my shirt over the top of my heaving breasts, and squeezing the shit out of each one. Pinching my nipples until they stood nearly an inch. I lifted my titty to my mouth and sucked my own nipple. The fat nub swelled in my mouth and I fondled my other breast, playing with myself there on the table as my pussy pickle pumped away. My knees were in the air, spread wide open, and I couldn't get enough!

I reached around where I thought I set the carrots, and grabbed a long, narrow fresh one. My ass was a virgin until I found a way to poke that carrot inside. As I fucked myself on top, my other hand under me eased the pointy pecker into my butt. My tiny little pincher tightened right up as I speared it again and again, then finally releasing any last anal strength to allow my orange intruder inside. Then out again, as I fucked my ass in time against the cucumber. It was my first threeway!

My big titties wobbled around under my chin. They're so big. I couldn't see the cucumber anymore as it entered me and I arched my back to accommodate the ass-tastic carrot de-virginizing my sweet bung. My boobies jumped and jiggled as I jerked and twitched those two garden variety fuckers into new depths of my body. My rectum was burning with the stinging sensation of that pointy prick deep in my ass, and the super-huge green cock in my twat was making a mess of my pussy. My lips were stretched and raw, and inside my hole I couldn't work it in deep enough. But the overwhelming feeling not to stop was telling me I was going to come, and I heard myself crying, "Fuck me, yeah…fuck my pussy…fuck my pussy. Fuck my ass hard. Fuck me in the ass," as I pushed them in deeper, "I'm gonna come! I'm gonna come!"

And then like a tidal wave, my body rocked in orgasmic delight. The carrot in my ass made me come so hard. I came all over the pickle in my pussy. I pulled the greenie weenie out quick and frigged myself with my fingers. Rubbing my clit and jamming digits inside my wet, moist hole. The carrot stayed put, deep inside my booty, as I came again from masturbation. Wave after wave ripped through me. I squeezed my tits and rolled over with my ass in the air, the carrot held firmly, standing straight up. I finger-banged my fucking gooey fuck-hole, trying to hang onto the top of the slippery, sweaty table as I climaxed. And then I relaxed, exhaling in relief and passing out from exhaustion.

Needless to say, when Chef Anders found me the next morning, naked, still asleep on the table, he couldn't wait to taste what I had.

CONFESSIONS

Of A Big-Tit Slut!

FEATURING CALLI COX

Last week I was driving home from Las Vegas to LA when my car broke down. I was in the middle of the desert where it was well over 100 degrees. I couldn't get a signal for my cell phone. It had been hours since I had even seen another car and it was getting late. I was definitely beginning to panic when just then, a silver sports car came speeding up the road.

I began to wave my arms in the air to signal the car to stop. When it pulled up behind me a really hot guy jumped out and asked what he could do to help. I told him my dilemma and that I would really be in his debt if he would help me out.

With a smile, he asked what I'd be willing to do for his assistance. With my own smile right back at him, I said, "Anything you have in mind."

He quickly pulled me into his arms and slipped his tongue into my mouth. I was nothing but totally receptive, as our tongues hungrily jousted. I was giving as good as I was getting.

He easily slid the straps of my dress over my shoulders, exposing my heaving titties to the hot sun. He sucked in each of my nipples in succession, until they came to sharp little points.

I pushed him back onto the hood of his car while pulling down his zipper and unleashing his thick pulsing cock. I went to it face first, swallowing as much of the veiny shaft as I could. It was so big, I could barely get much into my throat, but I was giving it my all. His sweet pre-jiz was oozing out and sliding down my throat.

His cock was getting really hard and throbbing like he was about to explode. He pulled out of my mouth and jumped off the hood, putting me in his place. He picked up my legs, spreading them and placed the head of his meat shaft to my gaping hole. With one push he was in balls deep. The sudden fulfillment took my breath away, but it was Heaven.

He stroked away passionately, filling my quim to the brim on every pulsating thrust. My lips hugged his thick shaft tightly, trying to milk out his cream.

I closed my eyes and just lay back to enjoy the ride. His stroking of my pussy was deliberate and firm. He was pulling

14309

nearly all the way out, before plunging back in, with his balls slapped my ass on each thrust. I could feel the veins on his steely shaft caressing the inside of my cunt, sending sparks through every deep-seated nerve.

As the sun beat down on us, his sweat was pouring down on me. I was rapidly approaching total meltdown. His cock felt so fucking good, going in and out of my dripping twat. His dick throbbed and pulsed, while my cavern was trying relentlessly to milk him of his creamy essence.

Another car came upon us before we even realized it, but we were far too gone to worry about it. The driver slowed to see what was going on. As soon as he was able to see that we were actually doing just fine, he honked and sped off. Neither of us had any intention of being interrupted. He just kept fucking me with his firm power strokes, and I was loving every minute of it.

His cock swelled up even bigger than it had been, so I knew that he was about to explode. Well, there was no way that I wasn't going to finish mine. I started pushing my hips back to meet him on each thrust. My pussy was of fire as his meat split me in two. He had a hold of my thighs and pulled he back harder and harder, equaling my passion.

My pussy started to gush cunt cream as it ignited into a mind-blowing orgasm. I was pounding his cock so hard and cumming so much, that I don't know how he was able to restrain himself. Orgasms were pelting me one after the other until I totally collapsed and slid to the ground, leaning back against the car's fender.

He was just able to hold back until he got his cock between my breasts, where he let out a torrent of cock-lava. The first couple blasts splattered on my face and dripped down into my cleavage, lubing it up to milk out what must have been a gallon more.

By the time his tank was drained, he too fell down to the ground. Both of us were covered in sweat and barely able to catch our breath. That was one of the hottest sexual experiences I'd ever had. I can't wait for my next trip to Vegas in my old car.

I JUST FUCKED HER...

THE NEWS RACK

ALL THE NEWS WITH TITS

By Steve Nelson, Editor-in-Chief of Adult Industry News (AINews.com)

GENT MAGAZINE • JULY ISSUE #136

TIT BITS

January 2008 came all too fast as the AVN Adult Entertainment Expo was upon us. I drove to Las Vegas to meet my new Editorial assistant Rebecca Anderson at McCarren Airport and we hit the AEE together this year. Rebecca is the new San Francisco correspondent for Adult Industry News who writes the column "Freaky By The Bay" on AINews.com.

First off was the "Morning Wood" radio show with DJ Ryan J over at Vavoom Media. They had Cara Lott there who was showing her deep throat technique on a dildo. Cara then wanted to kick it up a notch for the listeners and pulled me in to demonstrate on real meat. I'm such a lucky guy! I couldn't figure out how that made good radio but I wasn't about to stop her from sucking my cock even if I could. Ryan then had Rebecca and myself come on the air and talk for a few segments. This show has a great mix and was an absolute blast to be a part of. I hope we get another invite to go on again soon, so I can write more about them.

Rebecca and I then rushed from the Vavoom studio to the Digital Playground booth at the Sands Convention Center where the AEE was then in full swing, to interview Jesse Jane, Shay jordan, Katsumi, Adriana Lynn, Stoya and Robbie D. Look for these interviews coming soon on AINews. The DP girls are all top-notch professionals with a mix of body, boobs and brains that can't be beat! Robbie D is the director responsible for filming them in the many great series produced by DP.

At the AEE we were based at the PAW booth. PAW (Protecting Adult Welfare) was invented by Bill Margold as a "safety net" for talent after Savannah took her life in 1994. If you ever go to an adult convention look for Bill and a host of his "kids" (as Bill calls us) promoting worthy causes. This year Lara Roxx was there promoting her charitable foundation that she started after her ordeal being "patient one" in the 1994 Industry HIV outbreak. I urge everyone to go to LaraRoxxFoundation.org and support her cause. The other girls I mention in this column will have their links available when I re-print this column online on AINews.

Margold usually has girls he likes to call "supertankers" sign at his booth. This year Crystal Storm and Kayla Kupcakes graced the PAW booth to the titillation of everyone with eyes in their head. My ex-wife and I used to write Crystal fan mail back in the 90s, but this was the first time I had met her in person. Both Crystal and Kayla are knockouts!

My "project" this year was Bunny De La Cruz, who I was able to introduce to a number of great directors and producers. She now has a few days worth of go-sees when she gets back to the Los Angeles area and info for an interview with Mark Kernes of AVN to get into the "Fresh Off The Bus" column in AVN Magazine.

The second day of the show Minka was at the PAW booth. I never get tired of listening to her sexy accent and her huge hooters are the stuff dreams are made of! Minka will appear again at the Showgirl Hall of Fame inductions to re-do her tits in cement. Last year when she pushed her supertankers in, there was so little cement left it broke.

The highlight of the AEE for me was that Debi Diamond, who I had found online earlier last year, was here signing at the Arrow Productions booth right next to PAW. Arrow had a mechanical bull, which was a lot of fun. I had the honor of inducting Debi into the Legends of Erotica Hall of Fame later at Showgirl Video.

I met a girl walking by the booth name Persia who is a real busty stunner. She's a MILF and has been in the biz long enough for me to wonder how I missed her. I couldn't help noticing her award winning smile and the twinkle in her eye - and with tits like hers that's saying something!

While taking Bunny around to directors we ran into Samantha 38G and a half dozen BBWs who were in the hall outside the Sands Convention Center. What an amazing group of women! They could give you reoccurring dreams of being smothered in tit-flesh! We also bumped into Kitty Lee and Peyton Leigh at the AVN booth.

Back at the AEE for day 3 we found Elizabeth Starr, who had a nice group of busty babes at her booth as well. There was Liz, Summer Cummings, Kandi Cox and several more girls. I would have stayed longer, but I had to rush Bunny to Playboy Radio for a live on-air interview. Host Christy Canyon is spectacular behind the microphone and had

23698

a steady flow of great guests throughout the entire convention.

The night of Friday the 11th was the Showgirl Video Legends of Erotica show. This year's inductees to the Legends of Erotica Hall of Fame were Brittany Andrews, Debi Diamond, Ron Jeremy, Midori, Mimi Miyagi and Kitten Natividad. The show took place at Showgirl Video.

Kitten Natividad, still with big beautiful boobies, a vintage star from the Russ Meyers era, was as pleasant and down to earth as always. She sunk her mams into the cement wearing an apparently disposable bra. It was a fitting tribute to the era of films she made famous. Mimi Miyagi doesn't look like she's aged a day since I first met her in the late 90s. Brittany Andrews, who always looks perfect, has a laugh that makes my dick hard. There are statues in museums less perfect than Brittany. Midori is so fine that after she put her awesome ass in cement I almost offered to lick it clean. The center of attention, however, was Ron Jeremy who not only cast a replica of his dong in cement, but was presented with a giant "Number One" plaque signifying his place in the Adult Industry.

The day four highlights were seeing the luscious Sexy Vanessa who has graced the pages of Gent Magazine. Lori Lust was there walking around in one of her famous as-big-as-a-bandaid bikini dresses with a few beauties from her agency. Carrie Moon from Canada came by with her copiously cascading cleavage and I was able to slip away for coffee with Hunter. Hunter has shot for Gent and is now thinking of doing hardcore scenes.

Each year I help my new talent get tickets to the AVN Awards show and this year was no exception. Dan Miller, who was named Editor-in-Chief of AVN Magazine this past December 2006, was kind enough to take the time to talk with me. After recounting the tough time I had getting a ticket for myself last year, Dan not only gave me a ticket for my talent but tickets for myself and my assistant Rebecca as well. They were nice seats just above the floor on the left side. Thank you for that, Dan.

On our way into the show we ran into Nikki Hunter looking fabulous with short black hair, Cleopatra of the Nile and Savannah Jane. We spent some time having a drink with Sara Jay and Raven Black and there were HUNDREDS more stars all dressed in their finest. I wish I could have stopped and talked to each and every one of them!

The most notable comment, in my opinion, was that of Larry Flynt. He said that because of the economy, a year from now there will only be a few companies left producing movies, and only the ones producing quality material will remain. Other comments I remember were the ones spoken by Jenna Jameson. In her rambling preamble to presenting the award renamed the Jenna Jameson Crossover Star of the Year Award, her words, "I will never, ever, ever spread my legs again in this industry... EVER!" was something I wasn't expecting. Wasn't she quoted as saying, "I don't believe in retirement," back in October 2007? I guess after three months you tend to forget. For a complete list of the award winners go to AVNawards.com.

I wish I could live that week over and go to the AVN awards again and again! Unfortunately I'll have to wait until next January when the stars will be out in their sexy best. Have a look at the pictures on MySpace.com/ReadAINews for additional information or write me at Editor@AINews.com if there's something you would like to see featured here in The News Rack!

KENDRA SECRETS

I met Kendra Secrets for the first time back in August 2007 when she shot for Anton Fury and Gent. She's had a beautiful tan and a nice rack. Between sets I had a chance to talk with her.

Kendra has been in the Biz since April 2007 and is currently with Lisa Ann's Talent Management. I asked her how she got into it and was amazed to hear how fast it happened. Her friend turned her on to it. He made a call and 2 days later took some pics, 4 days later she was working! I call that the fast track!

She's pretty hardcore too. Kendra says, "I'm bisexual and there's not a lot I won't do." She doesn't mind cum on her face and does anal, DP, double vag, interracial, she swallows, does creampies, and any combination of guys and girls, including orgies and gangbangs.

She says, "I love making hot things, making directors happy. I want to be the director's wet dream." Kendra has a good attitude. "It's work, but I still have a good time at the job." It's obvious she's very comfortable with her sexuality.

She's a flirt too. I said, "You like to tease, don't you?"

"We do it on film," she said, "why not for real?"

When Kendra's not shooting for other companies, she's shooting content for herself. If you are talent, contact her for content trades. She has been shooting content all week. Her website, KendraSecrets.com, should be up and running by the time you read this.

Her magazine shoot for Gent was her first, but she's also recently shot for other magazines. Wanting to always keep her options open, she shoots for print, websites and films - everything is important to her.

Kendra plans to start featuring soon because she wants to travel. What better way to see the world and get paid for it! I asked if she was in this for the long haul and she said she wants to do it as long as she can and have fun with it as long as she's in demand.

A few months later I saw her while I was leaving AIM, after interviewing Dr Sharon Mitchell. Kendra was there for her test. She came up, gave me a big hug and boy, did she smell good! I don't know what she was wearing but I thought about her for the next couple of days, she smelled so good! It reminds me of getting a lap dance at the local club and while driving home, the perfume from the dancers remind you of the fun you had. I can't wait to see Kendra again!

You can contact her at MySpace.com/LilGurlLovesBBC, and for bookings call Lisa Ann's Talent Management at 818-501-2240.

SASHA BRABUSTER

I met Sasha Brabuster a few years ago at a PAW event. Protecting Adult Welfare holds charity events from time to time and uses the proceeds to help talent in times of need. Sasha has such an outgoing and bubbly personality that we became friends instantly. After you get past the charismatic smile and seductive eyes you will notice two glorious mountains of boob meat!

This girl's boobs are so big... (How big IS she?) She was bra buying in Monrovia at a store called "Creative Woman". They bill themselves as "the wizard of bras", which I find amusing. She Is Huge! Sasha is featyred in over 60 DVD's. For those who like to be absolutely smothered in boob-flesh, she's your wet-dream-girl!

She is a registered nurse in her personal life and was an instructor in physiology and biology in college. She speaks at colleges about having a career in porn, and will be teaching soon. She worked for a time as a "spiritual reader", going by another name. You know, the kind of psychics you call on the phone for a "by the minute" charge to your credit card.

This girl is the only BBW woman of color who is double jointed and can put her legs behind her head. She credits Lola Lane for getting her into filming hardcore, and says real nice things about Friday who got her lots of connections. She has been positively influenced by Africa Sex and Ron Hightower.

As far as advice to new girls Sasha says, "Don't sell yourself cheap and don't compromise. Her mom is her manager and - this is funny - her family has all her movies and magazines, but as for viewing her material herself, she can't watch her own videos, "But stills are ok," she says.

Sashabra Buster has a huge fan base in Michigan. She says that most toy parties on the west side of Detroit, Michigan will play her movies on the wall while the party is going on. BBW girls say Sasha has made them feel better about their bodies and given them more confidence and better self esteem.

Google Sasha Brabuster and you'll find her everywhere. Check her Yahoo groups, myspace and fan clubs out: Sashabrabuster.com, Groups.Yahoo.com/group/sashabrabuster and Groups.Yahoo.com/group/sashabrabuster_group and her MySpace at MySpace.com/Sashabrabuster.

For feature dancing contact her through Universal Entertainment and escort work through BodyMiracle.com. Write Sashabrabuster fan mail here: P.O. Box 8086, Roseville, MI 48066, and email her at Sasha@Sashabrabuster.com.

MORGAN & DESTINY LOVE THEIR TITS!

BY RIKKI MORTIS

Morgan Reigns had come in with her friend Destiny B. Wild to shoot for Gent. During the shoot the sexual tension between these 2 busty babes was so thick you could cut it with a knife. Being very straight forward and "in your face" as Destiny is, she kept telling Morgan how bad she was dying to get at her pussy.

The girls took turns shooting solo photo sets throughout the afternoon. Finally, the photographer told Morgan that he was going to shoot an *I Love My Tits* video with her. He explained that it was merely an interview type vid with someone asking her questions about what it's like having a big set of tits. The questions range from when they started developing to when she lost her virginity. I have seen the ILMT series shot with many different models. Some girls really get into it and have a good time, while others are not all that good being themselves in front of the camera and just turn it into a porn shoot, using toys and even male talent to demonstrate what they like to do with their wonderful "assets".

In this case, Morgan definitely fell into the latter category. It was discussed before the camera began to roll and it was decided that Destiny was going to make an appearance, as well as one of the guys.

When the tape began to roll, Sarah, the make-up girl was brought in to ask the questions. It was readily apparent that Morgan was not really much of a talker and much more a girl of action. Destiny quickly made her entrance, and she just pounced on Morgan's naked body. The passion had been building all day and she was not to be denied. Needless to say, Morgan was quite receptive.

Destiny went right for Morgan's tits and spent a good deal of time sucking and chewing on her pert nipples. Before Morgan knew what hit her, Destiny had pulled her face between her spread thighs and started grinding like a pepper mill. While Morgan was slit licking, Paul the stunt-cock moved in behind her and speared her tight slot with his ever-ready cock. A gasp flew from her lips... right into Destiny's glistening cunt, sending her to a thundering orgasm. Paul kept a tight grip on Morgan's hips as he pounded away mercilessly into her swollen pussy.

When Paul got to the point where he was about to blow, he pushed Morgan off his steaming cock and laid both girls down so his meat was hovering over the two glorious sets of tits.

After a couple strokes of his beef jerky, the splooge began to fly, covering their boobs like a box of Cinnabuns. As the cream rained down Morgan and Destiny playing with each other boobs and sucking face.

There is nothing better then two chicks that are actually into each other getting it on. Some days, it's really good to be me.
